1. INTRODUCTION AND DEFINITIONS

1.1 Purpose

The purpose of accreditation is to identify people and their roles and to allow them the necessary access to perform their functions. These Rules are valid for all FIG Gymnastics for All (GfA) events, FIG World Championships (Senior and Junior), FIG World Age Group Competitions, FIG World Cup and FIG World Challenge Cup Series events, FIG international approved competitions and in principle for all other multi-sport Games. They also apply to the FIG Council and Congress.

Accreditation is not an external sign of a privileged status but a necessary working tool to manage the large numbers of people participating in official FIG events and to facilitate their movements in a flexible way and with full security.

By accepting the accreditation, the holder confirms having read and understood the FIG Statutes, the FIG and IOC Code of Ethics, the FIG Code of Conduct, the FIG Technical Regulations, the FIG License Rules, the FIG Anti-Doping Rules, the World Anti-Doping Code including the International Standards, the Code of Points, the FIG Accreditation Rules, and all other FIG Rules and Regulations and their amendments, and agrees to comply with and to be bound by them.

An accreditation:

− ensures that only the appropriate qualified and eligible people are entitled to participate in or perform official functions at official FIG events
− limits participants’ access to areas they need to go to perform their official function and keeps unauthorized people out of secure zones
− ensures that participants reach these areas in a safe and orderly manner

Whatever the case, accreditations shall not be given in lieu of a “pass” or “event ticket”.

By requesting credentials, media accreditation applicants accept the terms and conditions as outlined in the Media Rules and agree to respect them during the entire event.

Upon violation of any of the conditions stated in the Media Rules or upon non-compliance with instructions given onsite, the FIG reserves the right to withdraw accreditation, with or without prior warning as well as deny accreditation to future FIG events.

1.4.2 Media accreditation procedure
Media accreditation requests for FIG events as published on the FIG website must be completed and submitted online via https://media.gymnastics.sport within the indicated deadlines.

After the registration deadline, all applicants will receive an automatic notification email informing them whether their application for media accreditation was successful or not. The success or failure of all applications is entirely at the discretion of the FIG and the Local Organising Committee.

For WAGC and World Cup and World Challenge Cups, the LOC will handle media registrations while respecting the applicable FIG rules.

- **POSITION** (journalist - photographer - cameraman);
- **TITLE** (agency - newspaper - network) and
- **MEDIA CATEGORY** (E - EP - EF - ENR etc.)

1.4.7 Mixed Zone cards

Press attachés are entitled to escort gymnasts from their federation on the athletes’ lane of the mixed zone. A special Mixed Zone Card will be issued for this purpose. This card is transferable, but only valid if the cardholders are also wearing their personal ID & accreditation cards.

1.4.8 Media FIG Council and Congress

Any request whatsoever must be approved by the Secretary General.

1.5 Transferable access cards (TAC) for warm-up hall and competition hall

A number of transferable access cards are allocated to the NF. Such cards may only be used by persons already accredited and must always be used in conjunction with the primary accreditation card. They are only transferable within the NF’s official delegation and appropriate function.

1.6 Other transferable access cards, upgrade cards and day passes

For FIG and LOC operational reasons, other transferable access cards, upgrade cards and day passes may be issued upon authorisation by the FIG Secretary General.

The FIG has the right to receive open and transferable accreditations, upgrade cards and day passes as needed. They are not nominative and shall bear the FIG logo instead of the picture.

The LOC shall prepare 25 transferable access cards to give access to the Doping Control Zone. These cards are given to the athletes and accompanying persons, if any, at the time when individuals are officially notified that they have been drawn for an anti-doping control. These cards must be returned to the Head of the anti-doping control station.
1.7 Additional accreditations

The cost for additional accreditations for coaches and paramedical staff (as per the number for the different disciplines under point 5) shall be borne by the member Federations. The LOC may charge the equivalence of CHF 200.- per card.

1.8 Rule on replacements, substitutions and multiple roles

An individual is entitled to one accreditation card only.

If an individual has several valid “accreditable” functions, the highest function is normally selected and the access zones of the functions are cumulated. No substitute may benefit from unused accreditations. Special cases are decided by the FIG Secretary General.

*The function of judge may not be combined with any other function.*

*The function of gymnast may not be combined with any other function except for Head of delegation (not applicable for GfA).*

It is forbidden to make a change of function after the nominative entry deadline except in case of special authorisation by the FIG Secretary General or his representative. However, it is forbidden for someone with an accreditation to substitute his/her function with the function of gymnast.

1.9 Training hall / Warm-up hall (not applicable for GfA)

Are considered as training halls, the halls used by the gymnasts for free training and scheduled training as per the schedule prior to the competitions and during the competition days.

If the tribunes of the training halls are separated from the training zones and if the hall has also a separated entry, the seats are considered as delegation seating as in the competition hall and access rights are identical (zone 6).

Is considered as warm-up hall, the hall used by the gymnasts before their competition, on competition days (free or scheduled warm-up). Access is strictly limited.

Podium training shall be considered as a training, therefore the access rights are the same as for training halls.

1.10 Lost, or stolen or forgotten accreditation and transferable access cards

In case of lost or stolen accreditation cards, the LOC and the FIG must be informed immediately in order to block them.

Lost or stolen cards may be replaced at the expense of the card holder (at the equivalence of CHF 200).

Lost or stolen transferable access cards shall not be replaced.

No access will be granted to members of Delegations forgetting to bring their accreditation or transferable cards.

1.11 Immediate administrative measures during an event

The FIG Secretary General or his representative shall take administrative measures for all types of misuse of an accreditation (such as zone, time, transfer, etc.). Any misuse of accreditation shall lead to the immediate withdrawal of the accreditation and to a fine of CHF 2'500.- per case to the respective federation. Further steps are possible (e. g. case to be submitted to the Disciplinary Commission).
The decisions of the FIG Secretary General concerning administrative measures (withdrawal, fines and others) shall be notified in writing to the individual and the NF concerned. They have the right to appeal to the Jury of Appeal as indicated in the decision of the FIG Secretary General.

The appeal shall not suspend the effect of the decision of the FIG Secretary General.

The FIG Jury of Appeal shall investigate the case as soon as possible. The decision of the FIG Jury of Appeal is final.

2. TRANSPORTATION

All accredited individuals (except those who did not book accommodation through the LOC; this exception is not valid for GfA.) shall be entitled to use the transportation system according to their access right.

T1 = Dedicated cars
T2 = Car pool (respectively 1 mini-bus each for the TCs, FIG Staff, the official scorer and FIG TV Production)
T3 = Shuttle buses or other official transportation system

4. PROCEDURES AND COMMITMENTS OF THE LOCAL ORGANISING COMMITTEE (LOC)

The LOC shall strictly respect the provisions and requirements mentioned in these FIG Rules for Accreditation.

The LOC shall provide a computerised electronic accreditation system which is able to inform at any time about the:

- National Federation
- Name
- Function
- Category
- Access zone

of each accredited person, sortable by his/her name, function, accreditation number, National federation and category.

The LOC may issue accreditations for its own members only. **To be accredited, any persons (including LOC members who are not citizens of the organising federation) shall require the FIG written approval** (not applicable to GfA).

The data of all other persons to be accredited (delegations, FIG, etc.) will be communicated by the FIG in due time.

For the competitive disciplines, a PDF copy of the passport of all accredited gymnasts has to be made in advance of arrival according to the LOC deadline.

For events where registration is not made electronically through FIG, the LOC shall check the licence validity and the age of the gymnasts as described in the Technical Regulations (not applicable to GfA).

The LOC shall also check that gymnasts have the passport (nationality) of the delegation in which they have been registered (not applicable to GfA).

The model of the accreditation as well as the zone access plan shall be sent to the FIG for written approval.

Media representatives shall all be accredited via the FIG Press Officer.

In case of infringement of these Rules by the LOC, the FIG may withdraw the accreditations concerned and pronounce further financial sanctions (appropriate deduction from the deposit paid by the organising member federation to the FIG).

Members from a suspended Federation are not entitled to any accreditation. This rule shall not apply to the Council and to the Congress. This does not apply to FIG Authority members either.
5. MAXIMUM SIZE OF DELEGATIONS

5.1 Gymnastics for All

Will be determined between FIG and the LOC in due time depending on every events specificities.
